- A Wednesday night IDPA league has been suggested for this summer. One possibility would be a six or eight week season ending with a BBQ. Think about it and give your input to Rex Hanson (524-2418) or a club officer.

- If you have any comments or suggestions regarding the newsletter please contact Jeff or one of the other club officers. Your input is always welcome.
- The gate combination has been changed. The combination is on your membership card. If you do not have membership card see a club officer.
- Tim needs a volunteer to host the March 9 IPSC match.
- Sorry – no cowboy match results this newsletter.

Message from the President

We had a good time at the awards banquet. We had about 30 to 40 people there. It was great to see that many people there I hope you all had a good time. We voted one new member into the club.

We received word that we are going to get some NRA grant money. That is great news. Thanks to Jim & Clem for help in this matter. You guys done great. We need to do some range improvements so I think that Rex, Jim, & I will get together & look at some things. If you have some things that can help we want to hear from you.

Remember some dates this month are club meeting Feb 26 @7:30 Popa toms. April 20 range clean up.

I would like to congratulate the top guns of 2001 you all did a fine job. I know that Rex will now build a new room on his house to put all of the awards he has.

We all need to help any way we can. Remember that if you want to change the way we are doing things come to the meetings.

Shoot straight ,be safe be cool.
